

# AUTO COLLISION CENTERS

**S**aving money on business insurance adds a whole new meaning to going green through Alliant Insurance Services garage program specifically designed for green certified collision centers.

Whether the goal is to receive carbon credits, reduce tax burdens, obtain utility incentives or demonstrate civic responsibility, Alliant Insurance adds reducing the cost of business insurance to the long list of benefits.

**GRC-PIRK MANAGEMENT**  
REGISTERED ENVIRONMENTAL ASSESSORS

Working with Mitchell and GRC-Pirk Management, Alliant Insurance has received approval from its carrier partners to expand its garage insurance program to the Auto Collision Industry and offer a **10% DISCOUNT** for *Green Certified Repair Centers*.
